thought to be the same person, as in same household- probably served in two different units.

Errors may have been made in copying some of the names, tho we have tried to be accurate, some of the handwriting is very difficult to read. A question mark follows names which were almost undesipherable.

Further information on the veteran's war record may be obtained from

General Services Administration
National Archives & Record Service
Collections Officer
Washington, D. C. 20408

Request form GSA #6751. Fill it in with as much information as possible, and return with \$2.00. Copies of the veteran's record will be sent in about six weeks time.
